SPARC Abstract Submission - Preview

Thank you for your interest in participating in the Spartan Psychological Association Research Conference (SPARC)! For your research to receive full consideration by SPARC, please note that the priority deadline for submitting abstracts is *month, day, year, time*. Submissions after the deadline may be considered, if spaces become available.

All submissions must have faculty sponsors.

Please read all instructions carefully and review your responses before submitting this form.

It is helpful to gather the following information before attempting to make your submission:

(1) Presentation Preference
(2) Study Status
(3) IRB Review Status
(4) Primary Research Topic Area
(5) Presentation Title
(6) Abstract (350 words or fewer)
(7) Author Name(s)
(8) Authorship Order
(9) Institutional Affiliation(s)

If you have any questions, or need any assistance, please contact SPARC Faculty Coordinator, Dr. Shinchieh (CJ) Duh, at cj.duh@sjsu.edu

ABSTRACT INFORMATION

Attention: SJSU Graduate Students in Psychology. We have a special format of oral presentations dedicated to spotlighting graduate student research in the Psychology Department at SJSU. These "Lightning Talks" are bite-sized research presentations lasting no more than 5 minutes, with combined Q&A sessions after 2-4 lightning talks in succession.

1. Are you a current graduate student in the Psychology Department at SJSU? (You will be considered for the Lightning Talk format, before your indicated preference in the next question. If you want to opt out of the Lightning Talks, please indicate below and confirm with the SPARC Faculty Coordinator.)
   - ○ Yes; program name: _____
   - ○ No

2. What is your preference for how you would like to present your research at SPARC? (We will try to meet your preference but may offer you the alternative format due to space limitations.)
   - ○ Poster Presentation
   - ○ Oral Presentation
   - ○ No Preference; either format is fine

3. Have you already completed the research you will be presenting?
   - ○ Yes, we already have the complete results, and they are described in the abstract below
   - ○ No, the study is in progress, but we'll have the complete results by the time of conference
   - ○ No, this is a proposed research project
   - ○ No, this is a literature review

4. What is the status of IRB review?
   - ○ IRB protocol has been approved
   - ○ IRB protocol is under revision
   - ○ This is a proposed research, literature review, or otherwise exempt from IRB review

5. Select the area of psychology to which your presentation primarily belongs.

○ Affective	○ Developmental	○ Neuroscience
○ Biological	○ Educational	○ Personality
○ Clinical	○ Human Factors	○ Social
○ Cognitive	○ Industrial/Organization	○ Other: _____

6. Type the title of the abstract in upper and lower cases. (Example: The Relationship Between Self-Monitoring and Interpersonal Status-Striving)

7. Insert the abstract here. In 350 words or fewer, briefly describe the background of your study, your hypothesis/predicted results, your method (participants & procedure), and actual results if you have collected data.

PRESENTER INFORMATION

1. Primary Presenter and Faculty Mentor

   In the text boxes below, enter the information of the author who will present at the conference (if the abstract is accepted), and the information for the faculty mentor who is sponsoring the research.

   Primary Presenter's Full Name: _____

   Primary Presenter's Email Address: _____

   Faculty Mentor's Full Name: _____

   Faculty Mentor's Email Address: _____

2. Abstract Authorship

   List all authors in the order you wish them to appear in the program. Verify correct spelling of all names and indicate faculty sponsor(s) by placing * before the name(s).
   (Example: Sammy Spartan III, *Sammy Spartan Jr., & *Sammy Spartan)

3. Institutional Affiliation

   Please list the institutional affiliation of the author(s). If there are multiple affiliations, please list them in the order you would like to appear in the conference program. (Example: Department of Psychology, San Jose State University; Department of Psychology, University of California, Santa Cruz)

4. Accommodations, Concerns, Comments
   Will you require any accessibility accommodations for your presentation?
   ○ No.
   ○ Yes. Please specify:

5. Please state any comments or concerns you have if you were selected to present on *month, day, year*.

ACKNOWLEDGMENTS

1. If our abstract is accepted, we will commit to attending the conference to present the described research. As part of this commitment, we will secure an alternative presenter in the case the primary presenter cannot attend.
   - ○ I affirm that we will attend the conference to present our research if accepted.

2. Please note that photographs and/or video recordings will be taken throughout the conference and may be used by SJSU for marketing, publicity, and/or educational purposes. (For example: on websites and in publications, promotional flyers, social media, educational materials, derivative works.)
   - ○ I affirm that any presenter for our research gives SJSU permission to use photographs and/or video recordings at this conference for marketing, publicity, and/or educational purposes.

3. All faculty mentors, post-docs, and graduate and undergraduate students who contributed substantially to this project should be listed as authors on this presentation.
   - ○ I affirm that all individuals who contributed substantially to the project are listed as authors on the presentation.

4. Before submitting, please carefully review the information in this submission (see next page) to ensure its accuracy.
   - ○ I will review my submission carefully to ensure its accuracy.
